The Certified Materials & Resources Professional (CMRP) status provides both internal and external rewards. The premier credential for the materials management profession, CMRP is based on a sound assessment that provides distinction in an increasingly competitive marketplace. Materials management professionals with the CMRP credential are recognized for their expertise in the healthcare supply chain industry.

Please consult the CMRP Renewal Application for criteria for acceptable continuing education towards CMRP. The application may be downloaded at www.aha.org/certification. Remember to attach your complete Renewal Application and copies of your certificates to this form and mail to the AHA Certification Center at:
