The AHRMM Conference & Exhibition is renowned for its ability to bring together top health care supply chain decision makers and key influencers to collaborate, innovate, develop strategy and identify best practices.

Due to the COVID-19 pandemic, AHRMM made the decision to transition AHRMM20 from a live and in-person event to a virtual event in September. This new and innovative virtual event will offer the same top-quality education, networking and resources as AHRMM’s in-person events. There will be keynotes, breakout sessions, a virtual exhibit hall, networking in online lounges, learning pavilion sessions and other virtual gathering spots.

Exhibiting at and sponsoring the event allows you to be a part of this dynamic environment and integrate your brand into the attendee experience through a wide range of communication channels and promotional opportunities.

Whether your business objective is to boost sales, generate buzz for a new product or increase brand awareness, AHRMM will work with you to develop an integrated sponsorship and advertising package tailored to your marketing goals. AHRMM offers many advertising and sponsorship channels to help you build meaningful relationships with your audience:

- Premium Booths
- Lunch & Learns
- Learning Pavilions
- Web and email banner ads
- General Session introductions

- And more!

Maximize your trade show ROI by presenting a 30-minute education program in the Virtual Learning Pavilions. A Learning Pavilion is a great way to showcase your products and business solutions and position your company as a trusted expert in the eyes of your clients and prospects.
