

LARRY KENNEDY, MSDTI, CMRP

AHRMM ADVISORY BOARD CANDIDATE 2021

"Healthcare supply chain is at a critical stage requiring resilience to continuously overcome the unexpected. We need to collaborate in identifying opportunities and solutions for continuous improvement and sustainability. We must think beyond normalcy, accepting ideas for improvement that enfranchises all areas of healthcare by continuously empathizing, ideating, redefining, developing, testing, refining and implementing solutions." - Larry Kennedy, MSDTI, CMRP

- ✓ 26 + years supply chain leadership experience
- ✓ Vision for supply chain education & growth
- ✓ 16 years AHRMM & SAHPMM Member
- ✓ Proven collaborative leader

"I would appreciate your vote for election to the AHRMM Advisory Board" - Larry Kennedy
