

## Continuing Education Credits Application AHRMM Affiliated Chapters

AHRMM offers Continuing Education Credit (CEC) hours for educational programs that meet the requirements below. CEC credits are used by professionals to earn or renew certain professional designations, such as the Certified Materials & Resource Professional Certification (CMRP). Please read the instructions and complete the application to be considered for CEC credit hours for an upcoming educational program.

- **APPLICATION DEADLINE** – Complete applications and required documentation must be received at least 60 days prior to the event date. Applications received after this date will incur a late fee in addition to the application fees as outlined below:
 

<b>Date Received</b>	<b>Late Fee</b>
○ Applications received 30-60 days in advance:	\$150
○ Applications received less than 30 days in advance:	\$300
  
- **REQUIREMENTS** – The CEC Application, *Multi-Session Description form*, and timed agenda should be emailed to [ahrmm@aha.org](mailto:ahrmm@aha.org). AHRMM may request additional information and, if approved, will send a confirmation email and invoice. Upon receipt of payment AHRMM will email the CEC certificate(s). Processing may take two weeks; additional time may be required.
  
- **CONTENT AND PRESENTERS** – Program organizers and presenters must agree to the *AHRMM Speaker's Agreement* as indicated on the application. Education sessions must be educational and deliver best practices, case studies, resources, and/or solutions relating to the Certified Materials & Resource Professional Certification (CMRP) designation as outlined in the [CMRP Examination Outline](#). Presentations that are commercial in nature and/or attempt to sell specific vendor products and/or services will not be accepted. Company or organizational logos, product photos or any type of sales information may not be used in presentations or handouts.
  
- **CEC APPROVAL** – *Education programs must be held in 30 or 60 minute increments*. 30 minutes = .5 CEC hour; 60 minutes = 1 CEC hour. Includes only the education portion(s) of the program and *does not include* time spent on general announcements, breaks, exhibits, associated meetings or the like.
  
- **AWARDING CECs** – Retention of attendee records and distribution of attendee certificates is the *responsibility of the program sponsor(s)/organizer(s)*. Program organizers must make every reasonable effort to verify that attendees complete the education for which CEC hours are awarded. Neither AHA nor AHRMM will track CEC credit for participants and they cannot verify an individual's participation in an educational activity.
  
- **FEES** – The certificate fee for affiliated chapters is \$80/hour for Standard chapters, \$65/hour for Bronze chapters, \$50/hour for Silver chapters, and \$40/hour for Gold and Diamond chapters per 1-hour live or virtual session, including overlapping sessions. The certificate fee for non-affiliated chapters is \$160/hour. The fee for repeated sessions or those offered in an online library or learning management system is \$100/week per 1-hour session for up to one year/52 weeks. Certificate fees are non-refundable and must be received before the certificate will be awarded. In the event of an event's cancellation, the certificate fee may be applied to a future event.
