

## **AHRMM Advisory Board Nominee**

***Dena McCormick, RN BSN***

***Region Vice President, Member Field Services***

***Premier, Inc.***

**Dena McCormick currently serves as Region Vice President, Account Management for Premier, Inc. In this role, Dena is responsible for all member relationships in the south region. She oversees a team of 30+ individuals focusing on overall healthcare improvement, contract optimization and member satisfaction. She also currently serves on the AHRMM Issues & Legislative Committee, being named the chairperson for 2022.**

**Dena brings over 25 years of healthcare, operations, sourcing and group purchasing expertise to our industry. She has focused her career specifically in developing comprehensive cost savings programs and clinical standardization initiatives for various healthcare organizations across the country. In addition, Dena has provided leadership in regional aggregation program development and operations, including being instrumental in the development of services across the healthcare continuum.**

**Dena is a registered nurse and holds her Bachelor of Science degree in nursing from Spalding University in Louisville, KY. Her clinical focus has been in general nursing and wound care, and she has held positions as a wound care consultant and program director overseeing multiple wound healing centers.**

**Dena's passion is in continuing to promote the triple aim concept of cost, quality, and outcomes within the healthcare industry with an emphasis on promoting health equity within our communities.**
