

# Supply Chain 2023 Editorial Calendar

www.ahrmm.org STRATEGIES & SOLUTIONS

Supply Chain Strategies & Solutions (SCS&S) is the member magazine for AHRMM of the AHA. AHRMM strengthens the nation's health care supply chain by providing leadership, education, and networking and field-specific resources to advance the field and enhance the professional development of its members. The goal of SCS&S is to help members navigate the ever-changing health care landscape as the supply chain becomes a more strategic contributor to the bottom line of health care organizations.

Running themes across issues continue to be professional development, next generation leaders and strategic planning.
